My Son Maurice

I will never get over losing you and only God knows why he took you so soon. I now only have memories that I will hold so close to my Heart and still wishing you and I was never apart.

The love between a mother and son is a very special bond that can't be broken. My Boy just know your Mumma loved all the joy we share in your short time with me.

To watch you grow and the changes you made in life to become the man, you will always remain in my memory forever.

Seeing you drive us up and down the highway knowing how proud you were to finally have your license, made me one proud Mumma. No more corrections, no more police, just you and your family. You were so ever neat my Boy.

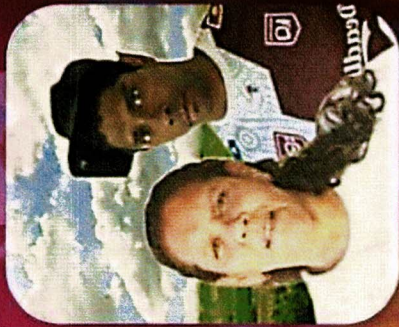

As your mother I'll always be lost cause as everyone knows Maurice was the Boss. I love you my Boy and never forget this is not goodbye, it's "see you when I get there." I know all your grandparents are now holding you tight and I will see that brightest star each night and know it's you.

Seeing everyone here at this service today shows how much loved and respects they have for you in every way.

Also seeing all the storms color's today I know you would be loving it this way.

Till we meet again my Baby.

**I Love You Always and Forever!
Mum.**

In Loving Memory of our Wonderful Uncle

Of all the special gifts in life
however great or small,
to have you as our Uncle
was the greatest gift of all.

May the winds of love blow softly
and whisper in your ear
"We love and miss you Uncle
and wish that you were here"

Deep in our hearts, your life is kept to love and cherish,
not forget. No more tomorrows we can share
but yesterdays are always there.

A silent thought, a secret tear
keeps your memory ever near
in our hearts forever.

To our beautiful Brother.

To our brother Sonno now that you are gone,
your no longer hear to share the bond we had
together, a bond of love and care. Yet
somehow something tells us you are watching
over us. Now that from worldly cares you
finally are free. We miss you so very much
budda, and our tears we cannot hide. Yet,
within our hearts we feel you are always by
our side our brother. Ever since you went
away life has never been the same yet, it
comforts us to know one day we'll meet again.

Love always your sisters Sarina, Marietta,
Patricia, Carinya, Jaslyn & Normani

Memories Of You Brother

It's been the hardest thing to lose you

You meant so much to me

But you are in my heart Brother

And that's where you'll always be

I know that Heaven called you

But I wish you could have stayed

At least the memories I have of you

They will never fade

I did not want to lose you

But you did not go alone

Because a part of me went with you

When Heaven called you home

So just remember one thing

We are not apart

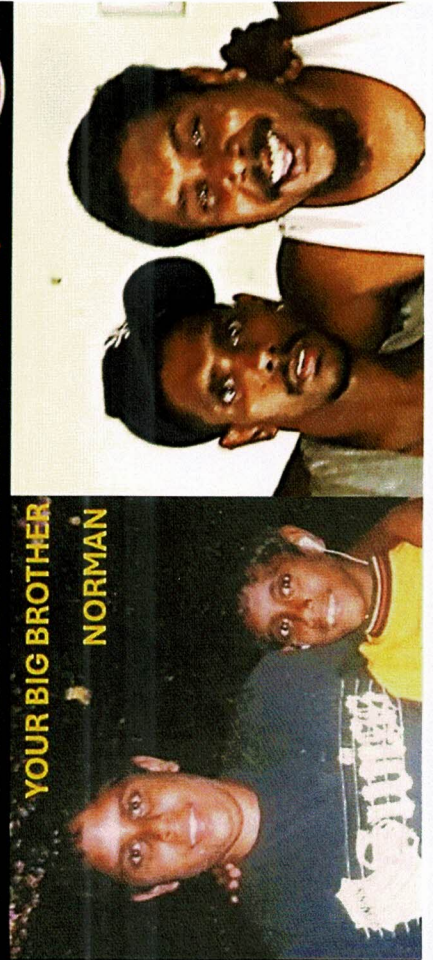

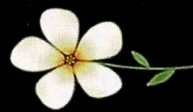

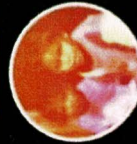

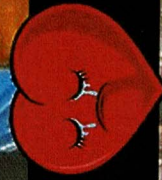

You're with me in my memories

And in my broken heart

**LOVE YOU ALWAYS AND FOREVER MY BROTHER,
YOU WILL ALWAYS STAY IN MY BROKEN HEART.**

YOUR BIG BROTHER

NORMAN

To My Love Maurice

My heart hurts writing this, the day I lost you Maurice, my heart broke into pieces. You made me feel complete when I'm with you and I will never be whole again without you by my side, nothing can heal the hurt that I feel.

Thank you for showing the kids love like they have never experienced before you did so many things for us your heart was so kind and true. You were the best dad & I am forever grateful to have someone like you in our lives. Thank you for standing up and taking on the role of being a father, they will forever be reminded of you and how special you are to them.

I miss waking up to u every day and seeing our future, I miss your smile, your touch, your affection, your ways of always making me feel ok, you made everything seem better and now I just don't know what to do, I just miss you so much Maurice. I hate doing this life without you. I'm sorry I couldn't save you like you always saved me, when you needed me the most, all I ask myself is WHY YOU??? You have always had my love & you forever will, nothing will change the way I feel. I don't know how I'm trying to get through this without you by my side, please watch over me my DARLING ANGEL!!! I love you forever & nothing will change until the day I'm with you again my love!!!

MAURICE PERCY WILLIAMS MY FOREVER LOVE,
there are no words to describe the hurt, sadness & emptiness I feel.

I am writing this to you up above, to tell you how much WE MISS YOU with all our hearts & love, I do not know why you had to go, it just isn't fair, now we are left with this sorrow, sometimes too much to despair you always meant so very much to me & always will do to, you will forever live on in all that I do, I hide my tears when I speak your name but the pain in my heart is still the same. I miss talking about our future we planned but I know you will be forever holding our hands, you held me up when my own strength let me down now it's hard to have you not around thank you for showing me & the children endless love your forever engraved in our hearts from up above, silence are the tears that fall living without you is the hardest part of all, the fact your no longer here with us, will always cause me pain, but you are forever engraved in our hearts until we meet again,

**WE LOVE & MISS YOU SO
MUCH LOVE ALWAYS
